

May 2026

Dear Parent(s)/Carer(s)

We are delighted that your child will be joining us in August! We hope that they enjoyed the gift and that you received the welcome leaflet that we recently delivered to your child's primary school before Easter.

The purpose of the transition process is to ensure that our new students (and you as their parents and carers) are fully supported throughout. We felt it would be useful to let you have an outline of our normal transition process, along with some key dates for your diaries (these can be found at the bottom of this email). This is an exciting time for us, and we have already been busy planning.

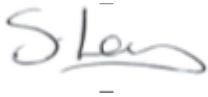

We have a page on our website specifically for Year 6 Transition, under the Parents tab, year 6 transition. This page will be updated over the course of the next few months.

We are currently liaising with year 6 teachers in primary schools, and we hope to visit your child in their primary prior to our Transition Days, in the Summer Term.

We realise that this is an exciting time for students but also appreciate that there may be some aspects of moving to secondary school that they are worried about. Please reassure your child that they will have an opportunity to ask any questions and we will update our website with further information over the coming months but in the meantime, if there is anything at all, please do get in touch at enquiries@HeathLaneAcademy.org.uk

We look forward to meeting you and your child in the coming months.

Yours sincerely

Susan Ley
