

November 2025

Dear Parents and Carers,

I am writing to congratulate our Year 11 students on the successful completion of their recent mock examinations. Their mature conduct, focused attitude, and determination throughout the exam period have been commendable. They have demonstrated our core values of Respect, Hard Work and Kindness throughout, and we are incredibly proud of the way they approached these important assessments.

We would also like to extend our sincere thanks to you for the invaluable support you have provided at home—particularly in ensuring pupils arrived well-prepared, with the correct equipment each day. This level of partnership makes a real difference. Thank you.

As we move into the next four weeks, attendance will be more important than ever. Teachers will be delivering detailed feedback on the mock exams, helping pupils understand their strengths and, crucially, where they can improve in order to maximise their final grades. Every lesson during this period is essential, as pupils will be refining exam techniques, closing gaps in knowledge, and setting personalised targets for the months ahead.

We would also like to bring to your attention the Year 11 Information Evening on Monday 1st December at 5.30pm. During this evening there will be important information about the next stage in Year 11, including the next steps for your child's education.

We appreciate your continued support in encouraging excellent attendance and in helping pupils maintain the positive momentum they have demonstrated so far.

Thank you once again and well done to all our Year 11 students.

Yours sincerely,

Philippa Curtis
Raising Standards Lead, Year 11

Principal: Mr M Trimmingham
