

October 25

Axiom Maths Circles.

We are excited to introduce a new opportunity for high ability Maths pupils in Year 7. Your child will have the opportunity to deepen their mathematical thinking and problem-solving skills through **Axiom Maths Circles**.

Axiom Maths Circles are weekly gatherings where pupils explore rich mathematical ideas through puzzles, games, and collaborative challenges. These sessions go beyond the standard curriculum, encouraging creative thinking and logical reasoning in a supportive and fun environment.

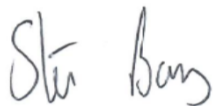

The sessions will start on Monday 13th October and will be delivered weekly during Prep on a Monday and afterschool on a Wednesday, until 4.00pm, for the remainder of the academic year. These study sessions are designed to spark curiosity, build confidence, and foster a love for mathematics.

Please complete the forms link to sign your child up for the session:

<https://forms.office.com/e/1D8MAwYnR5>

We look forward to welcoming your child to Axiom Maths Circles and helping them discover the joy of mathematical exploration!

Yours sincerely

Mr S. Barnes
Maths Lead Practitioner

Principal: Mr M Trimmingham
